

BLUME'S[®]

KeyStone[™] China Vanity Bowl

Care & Maintenance

Routine Care & Maintenance

Rinse thoroughly after each use and use a soft cloth to wipe the product dry. Doing so will help prevent soap scum and other mineral build-up.

Soft abrasive cleaners may also be used to clean your KeyStone China Bowl. Avoid using abrasive cleaners, as they will scratch and dull the surface of your bowl.

Recommended Cleaning Products:

- Comet Bathroom Cleaner
- Fantastik Antibacterial Heavy Duty Cleaner
- Formula 409 Antibacterial All Purpose Cleaner
- Lysol Bathroom Cleaner
- Soft Scrub Original Cleaner
- Tilex Soap Scum Remover
